

Testing Incentives

Attitude and Effort During Testing

In each test session students will be able to earn positive attitude and effort tickets. Those tickets will be entered into drawings at lunch for prizes! The more tickets earned the better your chances are to win!!! Drawings will be done daily at lunch in each grade level.

Also, all students who have done a great job during testing with their attitude, effort, coming prepared, and behavior in class will be able to attend the fun outside activities on Friday May 18th. Teachers will base the decision on who qualifies to attend on a rubric. This is shared with students before they begin. Each grade level will spend 2 hours of their day outside enjoying activities with their friends! Some activities include-kickball, football, soccer, or just hanging out with friends and talking if you choose!

After Testing/Results

At the beginning of next year, after we have the results, we will also celebrate students who worked very hard all year and are able to score proficient or advanced. If students score proficient or advanced in both subject areas tested they will attend the rewards day celebration. Permission slips will be sent out in the Fall. We will be going to the park for a day of fun activities including several games, a live DJ, dancing and snacks!
