Cameron Dragons

Dear Parents and Guardians,

Cameron School District is providing the community with an exciting learning experience during our summer school session. Classes will be centered around reviewing or preparing for next year's school content. The summer school program provides an opportunity for students to experience over 60 hours of advanced academic preparation for the school year ahead, as well as to apply previously learned skills and knowledge.

Weekly Prizes: Students become eligible for a weekly prize drawing through exhibiting a positive attitude, demonstrating proper behavior, and giving their best effort during class activities. Students earn tickets for being respectful, hard working and cooperative. Weekly tickets are drawn for the prizes.

Attendance Recognition: \$100 for “perfect attendance”, \$75 for missing 1 day, & \$50 for missing 2 days, (students will be counted absent when checking out for any part of the day or late arrival). The attendance recognition will be mailed during the month of July or picked-up at the conclusion of summer school. Additional information will be sent.

We hope everyone will take advantage of this learning experience we have created for your student! Please return the half sheet form to the CVMS or CIS front office. Questions or concerns please contact Mr. Wernimont at mwernimont@cameronschools.org or 816-882-1041.

Sincerely,

Mr. Wernimont
