

CVMS Handbook addendum:

The following bolded item has been added to the CVMS Student Handbook.

DISCIPLINE PLAN:

All teachers will have a classroom discipline plan. Each teacher will make a copy of their classroom discipline plan available to each student's parent(s) upon request.

When a student is referred to the office, the Cameron Veterans Middle School Discipline Policy will be enforced.

Any student who is serving after-school detention, **Saturday school**, in-school suspension or an out-of-school suspension is not eligible to compete in extra-curricular activities while such penalty is in progress. The student MAY NOT participate in practice or events on their last day of in-school suspension or out-of-school suspension. Any assigned detentions must also be served before the student can participate in any after school activities.

RULES FOR SATURDAY SCHOOL:

Students must have homework lessons to work on or suitable book to read. Must arrive on time (no later than 8 am) and stay until the end of the Saturday school period (11 am). During this time, they are to remain silent and stay occupied with their work. Students arriving late for Saturday school will not be admitted that day and will count as a missed Saturday school. Students who are unable to abide by Saturday school rules will be asked to leave and will be counted as a missed Saturday school.
