Dear Parent/Guardian:

Dr. Douglas A. Wyckoff, DDS, PC is conducting a **Give Kids a Smile** event on **Friday, March 31, 2017**. Give Kids a Smile is an annual centerpiece to National Children's Dental Health Month. It is a one day event where dentists and dental staff volunteer their time to provide **free dental care** to low income and disadvantaged children. Because we can only accommodate a limited number of children, only those children without a dentist/dental home or no current dental insurance will be seen.

Each child will be required to have a dental screening at **NO CHARGE** at the office of **Dr. Douglas A. Wyckoff, DDS, PC**. Please, call his office at **(816)632-2822** to schedule your child's screening appointment. All screening must be completed by March 23, 2017. At this screening, initial information will be gathered, your child's dental history and your child's dental needs, in preparation for their dental visit on **March 31, 2017**.

If you have questions about the event, please contact Dr. Wyckoff's office at (816)632-2822.

Sincerely,

Douglas A. Wyckoff, DDS, PC
