Dear Parent/Guardian:

The Counseling Center is looking forward to next year as your child joins us at Cameron High School. We share in your goal for him or her to succeed and reach their educational potential.

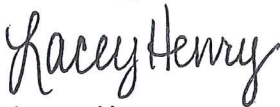

We will be visiting with 8<sup>th</sup> grade students on February 26<sup>th</sup> & 27<sup>th</sup> to discuss the transition to high school, completion of personal plans of study (4-year plan), and selecting courses for their Freshman year.

We feel it is equally as important to provide our parents the tools they need to help guide their child. You and your future Freshman are invited to attend a High School Orientation event to be held on Wednesday, February 21, 2018, at 6:30 p.m. in the High School Commons. The focus will be on basic information regarding graduation requirements, suggestions for success in high school, helping your child select appropriate courses for his/her freshman year, and creating a Personal Plan of Study. This will also be an opportunity to tour the building. We encourage your attendance so that this important information is reinforced with your child. If you are unable to attend, please contact the Cameron High School Counseling Center to schedule a private conference.

Pre-Registration for classes for the 2018-2019 school year will occur on Thursday, March 1. You will be contacted by a high school faculty member to make an appointment for Pre-Registration.

If you have any questions, please feel free to call your child's respective school counselor below. The counselors will be happy to assist you with your questions over the phone or by appointment. On behalf of the faculty and administration of Cameron High School, we look forward to working with you and your family during this important and exciting time!

Sincerely,
