

Cameron Public Library

Student Library E-Cards

The Cameron Public Library is offering students in the Cameron School District an opportunity to access ebooks and audiobooks online through the use of e-cards. Your child will be auto-enrolled unless you return this paper to the office indicating that you would like to OPT OUT.

Students that already have a physical Cameron Public Library card will continue to use the ID on the back of their card to log in, for example 22311111****. If a student has access using their electronic card, this is comprised of the letters CSD (Cameron School District) and their 5 digit Student ID, CSD*****. When asked, the password for their card will be the student's last name (lower-case)

- Students will be able to access the Public Library's online book selection from anywhere – use any wifi or data plan to download books to your device
- No Fees – This is a **FREE** service offered to all students in the Cameron R-1 school district
- No Overdue Fines – Online books are set up to remove themselves from your device when they are due
- Access to hundreds of books in your child's age range

FREQUENTLY ASKED QUESTIONS

What if my child already has a library card? Your child can use their existing library card number to access online books. Our librarians will ensure there are no duplicates.

What if we live outside city limits? Any child in the school district has free access to library books, regardless of address.

What if I would like to check out hard copy books from the library? Your child is entitled to a free library card also. Bring proof of school enrollment (such as report card, correspondence from teacher, etc) to the Cameron Public Library

Who do I contact if I have questions? Please call JoEllen Pratt or Jennifer Ensign at 816.632.2311 with any questions. You are also welcome to stop by our library at 312 N Chestnut St, Cameron, MO 64429. Our hours are Monday – Friday 10-6:30pm, Saturdays 10-2pm.

I DO NOT want my child to participate in the Library e-card program.
