***WHAT THEY SEE AND HEAR!***

DaVolt Productions’ educational programs are a great investment in developing character and self-esteem in your students and all programs are suitable for all elementary grades.

**Sketch-O-Magic** - Bullies are defined by their actions, not their looks.

**Which Color For You?** - Learn the five symptoms of bullying.

**Cool Optical Illusion** - See what you can learn by respecting everyone you meet.

**Be a H.E.R.O.** - Students discover four ways to help their bullied friends.

**Acrobatic Balance** - Working together builds friendship and learns to prevent bullying.

**Be S.A.F.E.** - Learn four things to do if you are being bullied.

**...and more!**

### **No Bully Zone Assembly Results Are Typical Of The Following Testimonial:**

Your assembly was right on target and fit beautifully into our no bullying school-wide program. Your performance was educational and at the same time very entertaining for our students. The students are still talking about the magic tricks and asking each other “just how did he do that”. This week in one of our fourth grade classes the students were able to tell what each letter of the words, “hero” and “safe” meant. Our staff was thoroughly impressed with the information the students learned. Thanks again! Mrs. Bates School Counselor Butcher-Greene Elementary
