

Dear Parents,

On May 17th, Linn County Recovery Outreach will be presenting an assembly at CVMS.

Linn County Recovery Outreach Mission Statement:

Our mission is to spread awareness about addiction and to offer resources about prevention and recovery programs. We speak at schools and hold community events to spread our message and reach the still suffering addict and family members negatively affected by addiction. We utilize our personal stories and recovery resources to make a positive impact on the community by bringing awareness of addiction to the forefront and offering resource material for local recovery programs to reduce the negative impact addiction has on our community.

If you DO NOT want your child to attend the assembly, sign and return this form.

Student Name_(print)_____

Parent Name_(print)_____

Parent Signature_____ **Date**_____

You may also call the office and request that your child not attend. 816-882-1041
