

Discussion Topics-

Please remember that the purpose of this time is to reflect on stopping violence in schools and to reflect on the lives lost to violence. Please be respectful of those who have lost their lives as we observe this time.

It is up to each and every one of us here at CVMS to take part in helping each other by showing kindness to others. Your power lies in your actions toward others to make a positive impact.

What are some times/areas in our school where students may feel left out or lonely?

What can YOU do if you see a student being mistreated to step up and help them?

What are a few very simple acts of kindness we can do to fellow students to make a positive impact on their day?

What is your 17? 17 lives were lost in the last school violence incident. What are 17 things you can do as simple acts that will have a positive impact on others in our school?

- Pair up and tell someone 1 of your 17. (have students switch and tell someone else one of their 17. Continue a few times as time allows)

Please remember our goal is to always keep students safe at school. If you see or hear something that could be dangerous or harmful or someone has a weapon report it to the nearest adult immediately.
